I am a young multidisciplinary French designer focused on **music, video making and interaction**.

I'm motivated by **3D Design** essentially, and my goal is to bring 3D into my interactive work, through AR/VR, Installations, Video Games and Web Design.

I am crazy about **music and travelling**, and I think they're both deeply connected.

I also very much enjoy **making music** everyday.

Freelance

- 2019 - 2020 → Direction of a few music videos for different artists (**Saskia, Corina**)
- 2017 - 2019 → 3D production for several music videos (**Koba LaD, Freeze Corleone, Roméo Elvis, Josman, etc ...**)
- 2018 → Webdesign for clients of **Bees Agency** (**Bridélice, Envie de Bien Manger**)
- 2018 → 3D branding video for a luxury jewellery brand called **Redline**
- 2017 → Creation of a mural for the **Pages Jaunes Digitales** offices

Education

- 2019 - 2021 → Interactive Innovation Design & Management Master's 2 Degree in Apprenticeship - **Gobelins**
- 2018 - 2019 → Interactive Design Bachelor's Degree in Apprenticeship - **Gobelins**
